Sandy City Newsletter now Distributed Through the Sandy Journal

Beginning in 2008, the Sandy City Newsletter will be distributed through the Sandy Journal. Currently, the newsletter is being delivered simultaneously in the Sandy Journal and as a stand-alone newsletter. From now on, regular newsletter articles about events happening around the city will be located in the center section of the Sandy Journal. This will allow the city to communicate newsletter items on a monthly basis and still send out additional, event-specific, information to Sandy residents and businesses directly. And, as always, newsletter articles, information, press releases, and event updates are available on the Sandy City website at www.sandy.utah.gov.

Sandy City Fire Station #32 Re-Opens

On September 25, Mayor Dolan, Sandy City's Fire Chief, Don Chase, and members of Sandy City Council hoisted an ax to chop a ribbon, officially marking the opening of Fire Station 32. The original station was torn down in January to make way for the new station. During construction the firefighters and the fire truck were stationed nearby at 1200 East 9400 South so service would not be disrupted. The new station will accommodate up to five firefighters and will house a transport rescue fire engine, a grass truck and a reserve transport rescue engine. The station also accommodates a Sandy Police Sub-Station and a large public meeting room.

Sandy Officials Dedicate Quarry Bend Park

Sandy Officials, contractors and guests officially dedicated Quarry Bend Park on October 16. The new 8-acre park is located at 9020 South Quarry Bend Parkway and is adjacent to the new Quarry Bend project that includes a Lowe's, Wal-Mart and residential town homes and apartments. The new park includes a pavilion, two baseball diamonds including electronic scoreboards, a playground and a walking/jogging path.

Other Parks & Recreation projects under development include:

- **9400 South 1300 East Park** – a 16-acre park that will open in summer of 2008
- **Urban Fishery** – 90 West 9800 South – a fully stocked 3-acre fish pond that will open in early 2009
- **622 East 7800 South Park** – open space located by Union Middle School that will open in summer 2008
